Mission Council Food Drive:

Mission Council collected 905 food items in this year's food drive. The donated food was picked up by the Huron Helping Hands Food Pantry to be made available to area residents in need. All grades competed to see who could bring in the most items per student and the winning class was the 3rd grade, averaging 16.33 items per student. Thank you to everyone that participated – because of your generosity, it was a happier Thanksgiving for many.

Santa's Workshop:

This year the store will be open for business 8:30 – 3:00 on December 5th and 6th in the Gathering Space. Feel free to stop by and browse! See the flyer in this week's envelope for more details.
