Welcome to our first full month of lunches!

Remember you can send cash/check with your student to pay for lunches or use send money to school. Please keep your lunch fees paid...

Making monthly Or weekly payments Keeps it manageable.

Your student may request a PBJ if they do not like the entrée-they will let their teacher know in the morning. A salad bar will be added on Wednesday's and included in the hot lunch option. We do require students to choose from the daily veggie & fruit options.
