From the Principal: Save the Date: **Graduation** is tentatively planned for Wednesday, June 24th. While it will be open to immediate family only, we ask that you hold our graduates up in prayer on their special day. Stay tuned for more details, but plans are being finalized for students to drop off their items via a drive through in the main parking lot. Please have your child's name clearly marked on each box/bag. All textbooks, library books, and technology should be returned, including chargers. Teachers are compiling a check list for each classroom to help you collect the necessary items.

Thank You: Although there was no Dine to Donate this week, the school received a generous donation from Arby's and the Giaco family. It was stated that "the community has been so supportive of us during this time, we want to give back." Let's continue to visit all our Dine to Donate partners to show our appreciation for their never-ending support of our school!
