From the Principal:

Happy end to the first quarter! I hope that your student(s) have had a successful start to the school year. Please sign up for a conference to discuss how the start of the school year is going for them. It is never too early or too late to check in to see how things are going here at school. I will be here on Monday - Wednesday until 6 pm during conference week. Please email me if you need an appointment otherwise feel free to pop in when you are here seeing the teachers.

We are consistently trying to hold students accountable for getting to school with the items they need for that particular day. To that end we will not be allowing students to call home for items such as forgotten gym clothes, band instruments and school work left at home. We have allowed students to call this first quarter as they are adjusting to a new schedule but we are settled in now and they are well aware of what is required for each day.

If you have time this weekend please come out for the Spooktacular 5k on Saturday. The festivities begin at 9am. Thank you to everyone who has supported this important fundraiser for our school. I am looking forward to seeing you all there!

Remember to take time for Mass and to enjoy family time this weekend.

Saints Mass:

Please join us tomorrow for our Saints Mass at 8:30 am as our 3rd grade class continues the tradition of presenting their favorite Saint.

From the Huron Public Library:

- Add your thoughts to the Huron Public Library's new **Huron Stories: Community Journals**, made for all ages! Check out titles like: *Library Recommendations*, *Teen Sketches*, *Ideas for the Future of Huron*, *Good Vibes*, or *What's Behind the Door?* Each journal checks out for one week. Read what others wrote, then add your own entry. Once a journal is full, it will be added to our regular collection for the community to check out like a regular book! Find these journals in the main lobby today.
- Want to learn a classic card game to play with your friends? Join fellow players for **Euchre Night** on Wednesday, November 3 starting at 6:30 pm. Games are open to beginners or experts.
- Or maybe you just want to get creative with LEGOs! **LEGO Builders Club** is back in the Library with a twist. Drop in on Thursday, November 4 between 4 - 5:30 pm to see where your building imagination takes you. Creations are put on display at the Library between programs. *For Kindergarten - Grade 6.*
- Work on your strategic thinking by practicing **Chess** with chess master Paul Sherwood on Saturday, November 6 starting at 10 am. Come for fun or to improve your game. Open to all ages and abilities.
- The **Teen Cooking Challenge** is back at the Library this fall! This popular program for Grades 7 - 12 continues with a new, delicious recipe to try at home. Pick up a kit on Wednesday, November 10. Register fast because supplies are limited.
