

70 YEARS OF FAITH, KNOWLEDGE AND SERVICE

ST. PETER SCHOOL ANNUAL FUND

2021 | 2022

“IF WE *walk* IN HOPE,
WE HAVE *joy* IN OUR HEARTS.
LET US BE LIGHTS OF *hope*.”

POPE FRANCES

A NOTE FROM OUR PASTOR & PRINCIPAL

Dear Brothers & Sisters in Christ,

Here at St. Peter School, we are very happy to be back to a more typical school year. We are grateful that last year went so well, with students learning and staying healthy at school every day. Everyone stepped up and adjusted beautifully. While things are getting back to normal, you can be sure that the health and wellbeing of our students remains important to us. We very much appreciate all of your support, in particular for your investment in our beloved school through the St. Peter School Annual Fund. This summer, with the necessary help of Annual Fund donations, we were able to upgrade the science room for our upper grades. Thank you! We would love to have you come see it!

Educating during a pandemic has brought the need for sufficient technology even more to the forefront. Having IT capabilities that meet the needs of our students and teachers is an ongoing endeavor. This includes updating our network and providing our staff with adequate computers. This is the focus of our Annual Fund this year, in addition to the many other important items highlighted in this brochure.

We realize that these are still challenging times for so many, yet as we mark the 70th school year here at St. Peter, we also ask that you prayerfully consider contributing to our Annual Fund. Your investment makes a difference for our students and our community; not only today, but for our future as well. Thank you for all that you have done, and for your thoughtful consideration of supporting the important ministry of Catholic education in our community. May God bless you and grant you His peace.

Yours in Christ,

FR. JEFF MCBETH
