From the Principal: The Auction was a huge success and thank you to all who attended, donated, and helped to make it such a great event. If you attended, I hope you had fun and that you were able to win a bid on an item of your choice. I am always amazed by the generosity of our supporters with their time and money. We are completing MAP testing this coming week. This test not only shows student growth throughout the school year but also helps our teachers to zero in on each student's strengths and needs. Following MAP testing, our students will be taking the ARK test this year in grades 2 - 8. This is a test measuring their knowledge of the teachings of the Catholic church. It will help us target areas where we are doing well and areas where we can improve our religious education curriculum.

I hope that as the school year gets busier and hopefully as the weather warms, our students can stay focused but also enjoy the time they have left of the school year. Enjoy the weekend with your family. We will pray for all of you and please remember us in your prayers too.

Special Weekend: Congratulations to our 8th graders as they receive the Sacrament of Confirmation this Saturday, and our 2nd grade students as they receive their First Communion on Sunday. God bless each one of you!

Mission Council Penny Wars Extended: The Mission Council is once again hosting a Penny War **through May**

POSITIVE POINTS	NEGATIVE POINTS
 EACH PENNY = +1 POINT	 NICKEL = -5 POINTS
 \$1 BILL = +100 POINTS	 DIME = -10 POINTS
 \$5 BILL = +500 POINTS	 QUARTER = -25 POINTS
 \$10 BILL = +1,000 POINTS	

6th! This year, we chose to raise money for the local non-profit Back to the Wild. Pennies and paper money count as points for your class. Nickels, dimes, and quarters take away points. For example, if you bring ten pennies and a dime to school, you want to put the pennies in the jar for your class and the dime into the jar for another class, to take away their points! Jars will be displayed on a table in the 2nd/3rd grade hallway. Whenever your class has

money, please send one or two children over to place money in the jars. Thank you! The winning class wins a casual dress day. If the whole school raises \$1,000, there will be a special prize sponsored by the Mission Council for everyone! Last time we raised \$700, let's try to beat it.

From your PTO:

Teacher Appreciation Week:

Teacher Appreciation Week is next week May 2nd to May 6th. The PTO has planned a great week to thank all our teachers and staff for lifting us UP. We will need help with the following items to make the week extra special.

- Post-Cards will be coming home for your student to color/decorate and write why they love their teacher and/or school. Please return the cards in the box in the Narthex by Tuesday evening.
- PTO plans to refill the teachers' lounge on Friday May 6th. The PTO is looking for donations such as prepackaged snacks, hot chocolate, drinks, or K- Cups to help with this. Please bring in any donations to Narthex by Thursday evening.
- Any monetary donations to help with the events planned such as a breakfast, lunch, retreat, treats and gifts can be venmoed to GregoryPhillips 14 or turned into Teresa in the school office.
- If anyone would like to help with the events, please reach out to Jenna Cencer or Stephanie Phillips.
