From the Principal: With Easter approaching we are busy planning for our Lenten retreat activities for the students within their family groups. There are activities planned for family groups in the morning and then they will eat with their “family” and enjoy recess with them as well. In the afternoon there is individual class time for each class, and we will end the day with Stations of the Cross at 2:00. It should be a great way to remind and focus students on the meaning of the Easter holiday. Just a word of caution about pick up and drop off. Please, please be very careful when entering and exiting the parking lot. With the warm weather and more students and their parents walking to and from school we all need to be cautious at the cross walks where you enter and exit the parking lot. Thanks! Remember we do not have school on Good Friday nor on Easter Monday. Enjoy the Holiday with your family. Please take the time to worship the resurrection of Jesus. Blessings to you all.
