Message from the Principal:

It's May and that means it is time for the Art and Academic Fair! The Fair will be in the Rock on Thursday May 26 beginning at 6:30. From 6:30 until shortly before 7:00 parents can view the displays and talk with the fourth through eight grade students who will be near their project displays to explain the projects to you and answer any questions you may have for them. Students in preschool through third grade are most welcome to walk through the gym and view all the displays.

At 7:00 the music portion of the program begins with all students preschool through eighth grade showing off their musical talents. Please no jeans, shorts, or leggings are to be worn. School uniform or something along those lines is appropriate. I understand that we have a few students who will be coming directly from a baseball game, come as you are and if you have time to change you can do so in one of the locker rooms. I would also like to announce that Lorain Feldt, our full time classroom aide will be Mrs. Hoyt's substitute during her maternity leave. Mrs. Feldt is obtaining her full license as a substitute teacher and will be spending the rest of the school year with Mrs. Hoyt. This will allow the year to begin flawlessly next year. She is excited to spend time with the class and has a lot to offer our students.

Of course Olympic Day is Tuesday next week with the rain date being Wednesday. Pray for good weather for the students, staff and all our volunteers who will be enjoying a day of friendly competition at Fabens Park. Keep in mind that June 2 is our last day of school. Students will be dismissed at 1:35.

Take care, enjoy the (sometimes) beautiful weather, your family and take time for prayer and Mass. Bless you all and thank you for allowing us to share your children with you. It is such a privilege.
