

## ST. PETER CYO BASKETBALL AND CHEERLEADING

The time has come to register for CYO basketball or cheerleading for this winter. We are offering boys and girls basketball for grades 3, 4, 5, and 6. Each team requires 8 team members to have a team. All this is available for St. Peter school students and church parishioners. The cost is \$50 per player. Each team will also require a coach to be eligible. Coaches can be men or women for any team. Registrations are due Friday, October 14. Make checks payable to St. Peter School CYO. Please fill out the portion below and return to Laura McCall in the Parish Office. Practice can begin October 24 with the season starting the first weekend in December. Make sure your child has a physical within the last year that clears them to play. I will notify you of a parent/player meeting later in October.
