- November Menu (envelope/website)
- School Pictures (envelope)

From the Principal:

This week in your brown envelope you will find a letter from Brandi Goodwin and Geneen Morrison introducing you to our Gifted Services program. This will be a terrific added service for our students. Our staff will receive support and training from Brandi and Geneen throughout the school year and eventually will be able to add the Gifted Service Provided tag to their credentials. Please read the letter over and don't hesitate to reach out to me if you have any questions or concerns.

With this being the beginning of the second quarter we are well into the routines of the day. I would encourage you as parents to allow your students to walk into their classroom on their own. Also if you are volunteering for lunch and recess, unless we have indoor recess due to weather please do not go to your student's classroom after they return from recess. Speaking of lunch volunteers, we can always use help. Please check out the schedule and sign up if you have an hour or so to spare. We love seeing you here at school!

If you have not already done so, please sign up for an appointment with your student's teacher for a conference. It is a terrific opportunity to discuss how the school year is progressing for him/her. I will not be in on Thursday the 10th as the Diocese has a Leadership Conference that day in Findley. I will be in on Friday the 11th and have times available if you would like to schedule a time to see me as well.

Last of all, as you have heard Mrs. Claar is retiring in January. If you or someone you know have any interest in the position, please contact me at kcope@huronstpeterschool.org.

Saints Mass: Please join us Tuesday for our Saints Mass at 8:30 am as our 3rd grade class continues the tradition of presenting their favorite Saint.
