From the Principal: I hope that you all enjoyed your Thanksgiving break as much as I did. It was wonderful to have the time to enjoy the preparations for the big day and to spend time with family and friends. I did not travel this year, but I am sure this made the trip a lot easier for those of you who did. Now we are on to the season of Advent. Remember the themes for each Sunday of Advent are Hope, Peace, Joy, and Love. I appreciate the focus of

the Mass during Advent with the lighting of the Advent wreath candles. It is a great time to recommit to attending Mass weekly.

Please try to keep your students focused as the Holidays approach. You will see the Spirit Week schedule in this week's envelope. Although Student Council has a special event planned for each day, we will still be having regular classes. The teachers have lots of content to cover before Christmas Break.

God Bless you all and know that our prayers are with you as we prepare for the birth of Jesus. Take time for family and to attend Mass. Thank you for letting us share your children, we enjoy them so much.

Outdoor Winter Recess: This is a reminder that students do go outside for recess at lunch time as long as

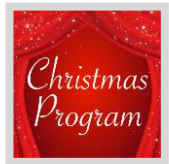

it is not raining and/or the wind chill (feels like) temperature is above 20° so please make sure your student is dressed appropriately. This means winter boots, coats, hats, and gloves, as the colder weather has definitely arrived.
