Message from the Principal:

WELCOME BACK! I hope that your break was as restful, fun, and filled with family as mine was. It is good to get back into our school routine and I am enjoying seeing all the students. Tomorrow is the end of the second quarter. Hopefully your students have all their work turned in and that they have enjoyed the success that comes with hard work and disciplined study. Please as the winter doldrums settle in and that is followed by spring, please keep them on track and focused on their schoolwork. Catholic Schools Week begins on January 29 and our students will be responsible for the 10:30 Mass that day. In this week's envelope you will find the RSVP for the Spaghetti Dinner - yes, it is back this year! Please consider supporting the PTO and come out for a delicious dinner as well as fun and fellowship with other St Peter's families. Please remember students go out for recess unless the "feels like" temperature is 20 or below so dress appropriately. On that note, we can always use volunteers for lunch and recess, please consider signing up. Take time for family and to attend Mass.

NOSF Scholarship Lottery:

Check this week's envelope for information on the Northwest Ohio Scholarship Fund for your chance to win a scholarship of up to \$2000 for next school year! Visit <https://nosf.org/> for more information.

The PTO Wants You to Know:

The next meeting is at 7pm on January 10th online only at <http://meet.google.com/von-drau-ptw>

Catholic Schools Week Mass Participants:

If your child is interested in participating at the 10:30 Mass on Sunday, January 29th, please complete the form in today's envelope. Assignments will be made on a first come, first-serve basis.

From the Huron Public Library:

- Each month the Youth Services Department at the Huron Public Library assembles **Anything Goes- Take & Make Craft Kits** containing all the supplies to make a nifty craft at home this winter season. Students in Kindergarten - Grade 6 can register to pick up the STICKERS! Kit on Monday, January 9, while supplies last.
- Interested in coding and making new friends? There is still time to join the **Girls Who Code Coding Club!** Students in Grades 3 - 5 can join this club to hang out, eat some snacks, and learn about coding in a supportive environment. This winter's club is every Thursday from 4 - 5:30 pm until March 9. Participants should attend all dates. Boys may also register. Registration required.
- Have you participated in a previous Girls Who Code program? Join the **Girls Who Code Coding Ambassador Program** to help new members learn about coding in a positive environment. Attendance of every session is not required but is highly encouraged. Registration required.
- If you prefer a more strategic game, play some **Chess** at the Library with chess master Paul Sherwood on Sunday, January 15 at 1 pm. Come for fun or to improve your game. Open to all ages and abilities.
- The Library will be CLOSED on Monday, January 16 in observance of **Martin Luther King Jr. Day.**
