It is incredible that we got through Catholic Schools Week without a blizzard, but **We Did It!** First time for me in probably 5 - 6 years. CSW reminds us how blessed we are to have our St. Peter community and families. During the week we celebrated faith, community, faculty, and students. It was a wonderful week. Remember that the next 2 weeks will be short. There is No School Friday, February 17th, and Monday, February 20th. I hope you enjoy the 4-day weekend.

I received emails from a few parents concerning the music that was used at the Pep Rally on Monday the 30th. In researching, I found out that the cheerleaders put the playlist together and the counselor did not screen the music. I assure you they are aware that we do not welcome that type of music being used in a St. Peter event, and we will make sure this does not occur again.

Last weekend I was able to attend the 4th-grade boys and 5th-grade girls CYO games. It was terrific to see our student-athletes in action. I am so proud of their efforts and of all the parental support that was shown. Great Job Bobcats.

Academically, we are approaching the middle of the third quarter. Please take a few minutes to check your student’s grades. It is never too late to strive for improvement and to encourage the students to finish the year strong. If you have concerns or questions after checking Progress Book, please reach out to the teacher of the class. We do not schedule parent-teacher conferences in the second half of the school year but are always willing to meet with you when a need arises.

Registration for the 2023 - 2024 school year will be sent out soon. Please return the registration as soon as you can so that we can begin to order materials for the upcoming school year. It is crazy how fast time passes for sure! On that note, as soon as our school calendar is approved, I will be sharing that with you. Please have a terrific weekend.

Take time for family and Mass.
Mrs. Cope

Catholic Relief Services

Your family is invited to join millions of Catholics across the country by participating in Operation Rice Bowl during the season of Lent. Operation rice bowl invites us to PRAY with our families and faith communities, FAST in solidarity with those who are hungry and GIVE sacrificial contributions to help those in need. Next week your son or daughter will be receiving a box for the **2023 Operation Rice Bowl** collection. To support this great cause, the school is having a [Rice Bowl Classroom Challenge](#)

Rice Bowl Classroom Challenge

- The classroom that collects the most money, will receive their choice of a "Take Out Lunch."
- The classroom whose total amount weighs the most, will be treated to ice cream from Pied Piper

In addition, if our students reach a school goal of 1,000 dollars collected, all grades will receive 20 minutes of extra recess time. What a great way to teach your children about sacrifice and helping those less fortunate during this season of Lent! **All money collected should be returned to St. Peters by Monday, April 3rd, 2023.**

Is your child missing a coat, sweater, crew neck sweatshirt, lunch box, etc?

Our lost and found bin is overflowing. We have set up a table on the 2nd floor with all lost items that need a home. Feel free to stop by and have a look. We just might have that item you have been looking for on our table.
