### It's a special Weekend for our Second Graders

As you celebrate your Holy First Communion this Sunday at 10:30 am Mass, remember that

God's **love** will always be there to **comfort** you, **guide** you and **bless** you.

### Congratulations to:

Micah, Sadie, Declan, Alice, Adalyn, Adam, Sawyer, Darlene

### Message from the Principal

Please remember to sign up if your student would like to take a band class next year. So far, we only have 3 students who have indicated that they would like to participate in a band class. With that small number of students who wish to participate, I am doubtful that we will be able to make band class a reality. Please go to the [sign-up form page](#) and indicate if you would like to participate in band class. Mr. K would like to meet with parents to convey his expectations for the class next year. **We need to have this information as soon as possible.**

We are all looking forward to Olympic Day where the competition will be fierce. The students are busy working on their Art and Academic Fair projects and are excited about sharing their knowledge about the topics for their projects with you. We can't wait to see you at these events!

Also this weekend our second-grade class will celebrate their first communion at 10:30 Mass. If you can come to support them, it would be greatly appreciated. I can't wait to see how excited they are to receive the body of Christ for the first time.

In addition, the 8th graders will be graduating on May 31st. We will miss each and every one of them and wish them the best as they continue their education. Remember on the last day of school we will end our day at 1:30 pm. As school is winding down for the year, remind your students that grades are still being taken and that their work and attention in class are important. Grade cards will be mailed this year so that grades can be awarded through the last few days of school.

As you can see, it is an exciting and busy time here at St. Peter School. Take care, take time with your family, and remember to also take time for Mass.

## Library News

The Accelerated Reader totals for the year will be posted Friday, May 12th. The students have one more week to take AR tests to count toward their total points. Who will be this year's Winner? All library books are to be returned by Friday, May 19<sup>th</sup>.

## Lunch Balances

As the end of the year approaches, this is just a reminder to stay current with your Lunch Balances. Select "to receive email reminders" in the settings of your Meal Magic Account to help keep you on track. All outstanding balances are due on or before June 1.

## Have Time to Spare?

- **Lunch/Recess Duty** for the month of May. Please consider stopping up and helping out. We are in need of volunteers for lunch for the remaining days of school. It's a great way to know their friends or brighten their day but most important it helps out the teacher on duty that day. If you are super nice to the head lunch lady, you might even get a free lunch for your time. Click here for the [Sign-up link](#).

## Fall CYO Sports Sign-Ups

CYO Fall sports are offered to students of St. Peter and children of St. Peter parishioners. The sports offered are Girls' volleyball and Boys' & Girls' cross country to students in grades 3-6. At this time, it is uncertain if tennis will be offered again to students. We will keep you posted if offered. The cost to participate is \$ 50.00 per student. Coaches may be needed. For more detailed information,

please see the letter and sign-up sheet sent home from our Athletic Director. All sign-up with payment are due by June 1<sup>st</sup> to the school office.

## Mission Council & Catholic Relief

The faculty and staff would like to thank our families for going above and beyond with generosity to our Catholic Relief Rice Bowl Challenge and Mission Council's Quarter War. The school raised over \$ 900.00 during the Rice Bowl Challenge. Junior High and Preschool were the winners of our two challenges. JH will be treated to Pied Piper and Preschool will be treated to lunch.

Mission Council would like to thank everyone who generously gave up their coins to help out a fellow student. The grand total raised was \$ 570.00. The class with the highest point total (difference between quarters and other money in their can) was..... GRADE 3! Mrs. Duke and Grade 3 were rewarded with a Dress-down Day this last Wednesday.
